**ACTION TAKEN REPORT  
(7<sup>th</sup> May 2020)**

<b>Action Plan</b>	<b>Action taken/initiated</b>
Preparation of AQAR for 2018-19	Teachers/administrative staff have been assigned to collect data under different criteria of the AQAR from the PG departments as well as other administrative sections.
Revision of curriculum	Board of Studies for various subjects were informed to restructure the syllabi by referring to the curriculum of other leading institutions, and also to make the curriculum job oriented keeping in view the changing employment scenario.
Revision of Regulations for the Ph.D., D.Sc., D.Litt. programs keeping in view the new UGC Regulations.	The draft Regulations have been prepared by some of the senior Professors which has to be deliberated and finalized soon.
Quality of Research and Academic Ethics	Teachers have been advised to engage themselves in quality research and publication in leading journals. A document has been prepared titled "Plagiarism Policy at BU" to ensure strict adherence to the similarity limits and other ethical issues.
Revamping of the university portal	Steps have been initiated to restructure the University portal in consultation with NIC. New features are being added to make it more informative.
Expansion of Computerization work	The bugs in the existing examination modules have been corrected. Further, the modules have been made more user-friendly by incorporating web interfaces. Discussion with the implementer (NIC) is in progress to develop modules for finance, HRM, and other administrative functions
Conduct of regular academic events	Most of the Departments have conducted seminars, conferences, webinars, etc.
