The Annual Quality Assurance Report (AQAR) of the IQAC (2016-17)

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2016 to June 30, 2017)*

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

Plan of Action	Achievements
<p>To Analyse student feedback. To strengthen research by defining thrust areas. To offer University research fellowship in the thrust areas. To set-up a Research Cell for streamlining research activities and to enhance academic output. Putting up rainwater harvesting system on the campus. Use of renewable energy, particularly solar energy on the campus.</p>	<p>Feedbacks are analysed and the results are presented before the NAAC PEER TEAM. The university identified four major thrust areas of research activity. University after a long gap has offered university research fellowship to deserving candidates to pursue Ph.D. studies A Research and Development Cell has been set up and its Director has been appointed The university has now rainwater harvesting system street lights which are empowered by solar energy</p>

1.2 (i) Flexibility of the Curriculum: CBCS/Core/Elective option / Open options

The Choice Based Credit System enables a student to obtain a degree by accumulating required number of credits prescribed for that degree. The number of credits earned by the students reflects the knowledge or skill acquired by him/her. Each course is assigned with a fixed number of credits based on the contents to be learned. The students also have choice in selecting courses out of those offered by various departments.

Courses offered in the University follow both semester and Annual pattern and the semester pattern under CBCS system. The marks obtained are converted in to grades under relative grading system. The courses offered under Distance Education follow the Annual pattern and the divisions are awarded on the basis of the mark secured.

The practice of final grading under CBCS system calculated as the weighted SGPA and CGPA are computed on the basis of grades awarded in the semester examination and the number of credits prescribed for a particular course. The grades in the semester examination are awarded based on relative grading. All diploma courses also follow the semester pattern but these final marks are taken into consideration not the grade.

(ii) Pattern of programmes:

Pattern	Number of programmes
Semester	✓
Trimester	
Annual	✓

1.3 Feedback from stakeholders* (On all aspects) Alumni Parents Employers Students

Mode of feedback : Online Manual Non-operating schools (for PEI)

**Please provide an analysis of the feedback in the Annexure*

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

YES

The curricula of all the programmes have been revised periodically through Board of Studies. The CBCS course also allows freedom to the students to choose elective course from the same or from the other departments which enables them to bridge the gaps and deficiencies which they may have in order to meet the requirements of core courses. A revised Ph.D. regulation, 2016 has been introduced.

1.5 Any new Department/Centre introduced during the year. If yes, give details.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

During this academic year, several programmes and practices have been adopted which have rejuvenated the vibrant education system. Following are some major innovations:

- ✓ The University has increased the number of seats in the PG Departments, and has correspondingly registered a significant increase in students' enrolment in its P.G. Departments, different rural affiliated colleges and the Distance Education stream.
- ✓ The policies of the University have brought the underprivileged and marginalized sections of tribal dominated Southern Odisha into the educational mainstream.
- ✓ CBCS is a practice of the university.
- ✓ ICT enabled teaching and learning methods are adapted by the faculty members..

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- ✓ University campus is made smoke, plastic and tobacco free zone
- ✓ Students got admitted into CBCS pattern in all affiliated colleges under Berhampur University and Post Graduate departments of the University.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*) *Provide the details in annexure (annexure need to be numbered as i, ii,iii)

- ✓ Proposals of waste Water Management System and Hazardous Waste Management System are in the pipeline.
- ✓ Institution of endowment funds by some Departments for awarding honours to the meritorious students and eminent persons of locality.
- ✓ Organisation of memorial lectures to perpetuate the memory of renowned sons of the soil.
- ✓ Kabi Samrat Upendra Bhanja National Award for Lifetime Achievement in the literature, Art and Culture was introduced.

7.4 Contribution to environmental awareness / protection

- ✓ Rooftop rain water harvesting.
- ✓ Use of solar panel LED lights at different blocks of the University.
- ✓ NSS has undertaken different environmental and health conscious programmes in different units such as Blood Donation, Plantation, Pulse Polio Immunization Rally, Health checkup, Yoga and Swachha Bharat Programme

7.5 Whether environmental audit was conducted? Yes

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

SWOC ANALYSIS OF THE UNIVERSITY

Strength:

- ✓ Induction programme for newly appointed teachers was conducted.
- ✓ Berhampur University is the only University in the State offering Post Graduate Course in Marine Sciences, Military Sciences, Linguistics and Diploma courses in Russian Language.
- ✓ The university offers Bachelor and master in Education.
- ✓ This is the first state university to be awarded by the Govt. of Odisha for establishment of an Innovation- cum- Incubation Center.

Weakness:

- ✓ Faculties at the higher level, i.e. number of Readers and Professors are depleting very fast due to retirement and very limited recruitment over the past decade or so. Lack of such experienced persons has started affecting both academics and administration.

Opportunities:

- ✓ University has set up coaching centers for Carrere Counseling, IAS, SC/ST and OBC students.
- ✓ Impress upon and work with the Government and NGOs in formulating and implementing policies for under-privileged sections within its geographical jurisdiction, which includes regions affected by left wing insurgencies, so as to bring them to the mainstream of civil society.

Challenges:

- ✓ Uplift the academic level of the students, coming from educationally backward region, who are again first generation learners.
- ✓ Enhance funding opportunities and use the fund effectively for starting multi- and/or inter-disciplinary research/courses as per the requirements.

8. Plans of Institution for Next Year

- To fill- up both teaching and non teaching posts of the university
- To encourage affiliated colleges to form IQAC and to prepare for NAAC Accreditation
- To strengthen university-college link by frequent interaction with the affiliated colleges
- To introduce student life cycle management through online admission for PG and UG courses, online result publication etc.
- Decentralization of UG valuation process
- To create an environment for pursuing cutting edge research and academic activities
